RULES & REGULATIONS (TERMS AND CONDITIONS)

General: These rules of the club are made to ensure that 'you' as a member have maximum protection for safety and health, and that we are able to provide you with a safe environment to train in. It is essential that everyone obeys and supervises the adherence to these rules and regulations.

Whanake Rangataua strives for excellence in all aspects of our teaching and training. Therefore, we expect that all participants (students, parents, guardians and instructors alike) strive to uphold and maintain these rules at all times.
